7) What the Estate asks for in these details are furnished in respect of the works to be taken up for Rs 2000/ Having regard to the short period before the visit, it is hardly likely that the entire sum of Rs 2000 or Rs 3000 would be spent. For example the works relating to the construction of a new Wellington over the Mysore road & Cuttur drain in the Post-area cannot certainly be done or completed before 7-2-43. An allotment of Rs 1500/- for carrying out improvements to the Railway station & the roads improvements shown in red on the working plan would be sanctioned leaving the sum may be sanctioned later for the 3 grants
